CREATED BY VERMA JOOSTE

LOGIC WORKOUT™

LOGIC WORKOUT™

WELCOME

LOGIC WORKOUT nurtures an understanding of classical logic. Starting from your level of familiarity, on level 1 through level 5, you will find the level of the program that is just right for you. The program is designed to be challenging. So, if you are a logic lover, you will find it a real challenge. So, if you are a logic beginner, you will find it a real challenge. So, if you are a logic lover, you will find it a real challenge. So, if you are a logic beginner, you will find it a real challenge.

FEATURES & BENEFITS
